Sir:

Pursuant to 37 CFR 1.137(b), applicants hereby petition to revive the U.S. National Stage of the above-identified international application, which became abandoned under 37 CFR 1.495(b)(2) and (h) by failure to pay the basic national fee.

The required reply (basic filing fee) is enclosed. (We believe that the DO/US has received a copy of the international application directly from the IB, but a courtesy copy is enclosed.) The entire delay in filing the required reply, from the due date for the reply (Feb. 2, 2005) until the filing of this petition was unintentional.

No terminal disclaimer is required, as the international application was filed after June 8, 1995. Small

entity status is asserted herewith. To pay the small entity petition fee, believed to be \$750.00, a credit card payment form PTO-2038, is enclosed. This form covers both the petition fee (\$750.00) and the basic filing fee (\$365.00), and hence authorizes payment in the amount of \$1,115.00.

Please charge any deficiency in the petition fee, or in any other fee required for the acceptance of this petition, to Deposit Account **02-4035**.

Respectfully submitted,
